

Instructions for KazNMU students on passing exams at the Testing Center

THIS IS VERY IMPORTANT!

It is necessary to prepare for the exam:

- Remember, or write your accounts (username and password): for the test exam – for AIS "Sirius" (student_00000), for the written electronic exam - sent this academic year from the dean's office for the written exam (kaznmu24_st00000)!
- When entering usernames and passwords, pay close attention to the correctness of the data you enter!!! (Large letters are entered using the Shift+ key combination The letter, the underscore "_" is entered using the Shift+  keyboard shortcut)
- Read the Exam Instructions carefully!

STUDENTS WITH AN UNAESTHETIC APPEARANCE (loose hair, shorts, T-shirts, sportswear, slates, baseball caps, hats, etc.) ARE NOT ALLOWED TO BE TESTED AT THE TESTING CENTER
During the exam at the Testing Center, students must be without medical gowns.

STUDENTS, WHO ARE LATE FOR THE EXAM FOR 10 MINUTES OR MORE, ARE ALLOWED ONLY WITH THE PERMISSION OF THE DEAN / DEPUTY DEAN.

Entering the Testing Center, the student must:

- show ID card / student ID and sign in the attendance list
- turn off the mobile phone;
- put valuables (purse, wallet, mobile phone, etc.) into specially deposit box;
- put the clothes in the wardrobe for storage.

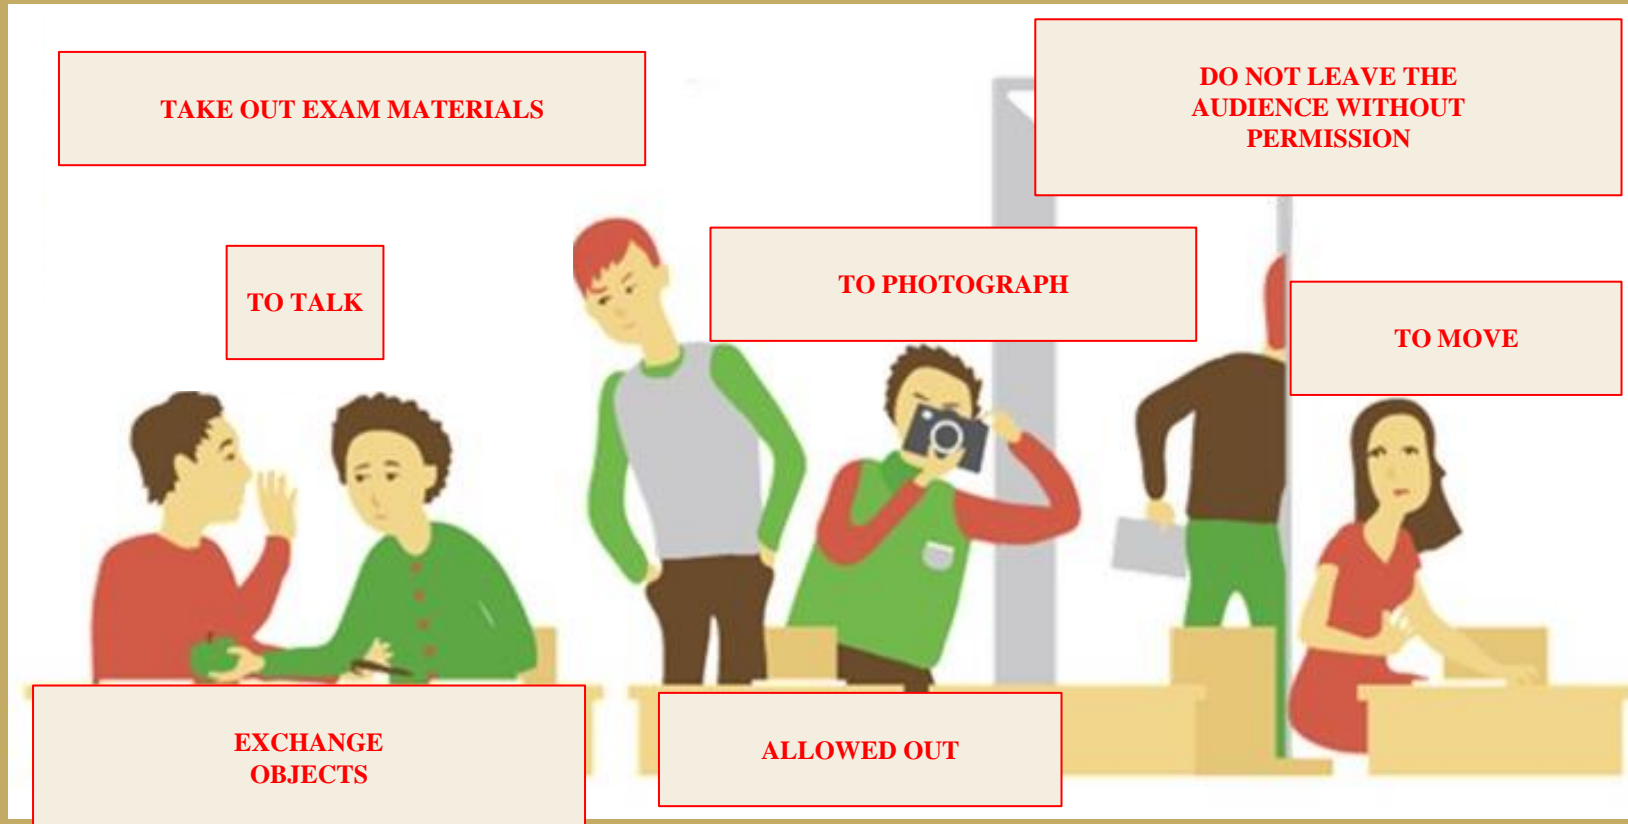

STUDENTS ARE FORBIDDEN TO BRING AND USE:

- cheat sheets, textbooks and other methodological literature;
- information disclosing the content of tests and codes of correct answers to them;
- camera, mobile communications (pager, cell phones, tablets, iPad, iPod, iPhone, SmartPhone, etc.);
- laptops, players, modems (including mobile routers);
- any types of radio-electronic communications (Wi-Fi, Bluetooth, Dect, 3G, 4G, wired and wireless headphones, etc.)

All these rules are taken from the document "Code of Academic Integrity of students of the NAO "KazNMU named after S.D.Asfendiyarov", which you read when you entered the university and signed with your own hand!!!

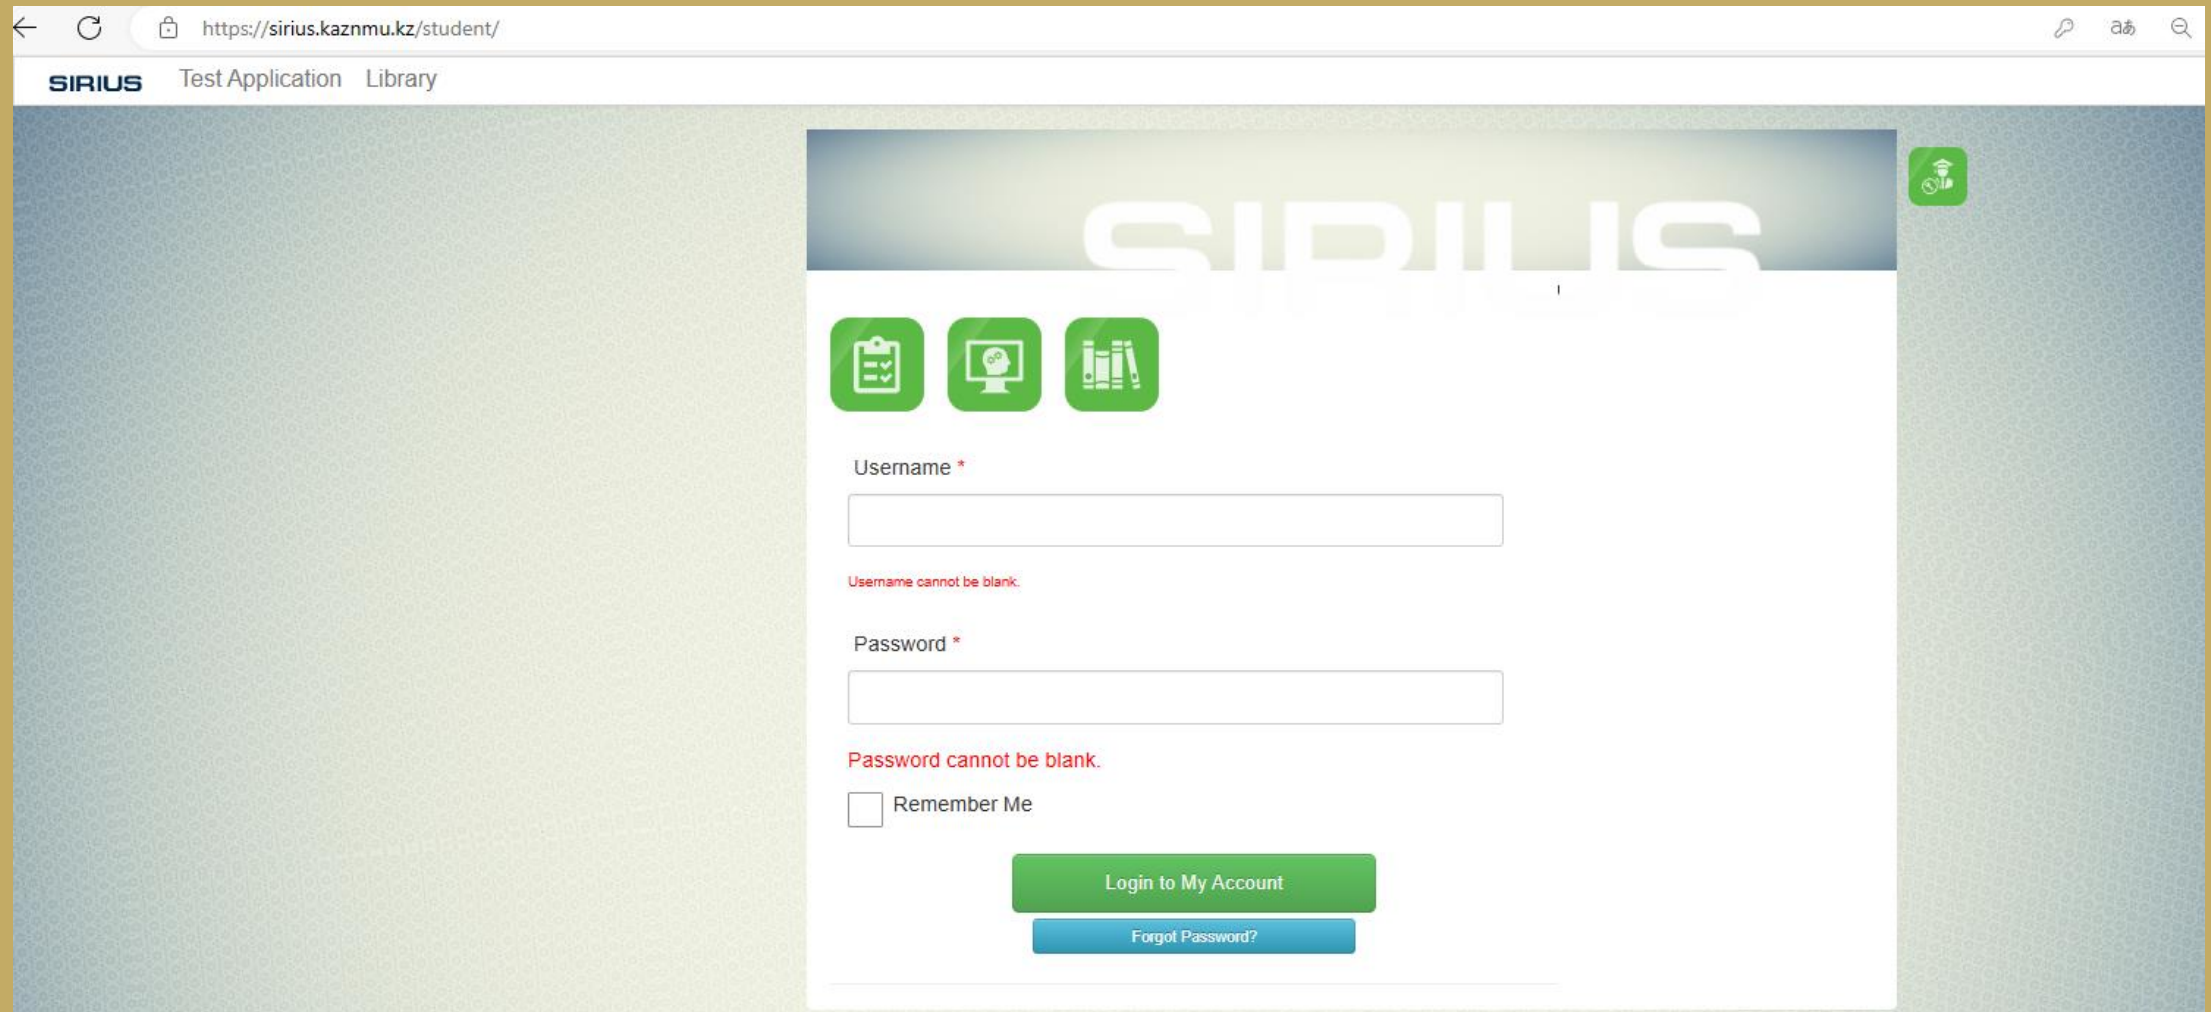

DURING EXAMINATIONS IT IS PROHIBITED:

AN ATTEMPT TO LOOK INTO ANOTHER STUDENT'S COMPUTER MONITOR IS CONSIDERED A GROSS VIOLATION OF THE RULES

Instructions for KazNMU students taking the exam in the form of testing

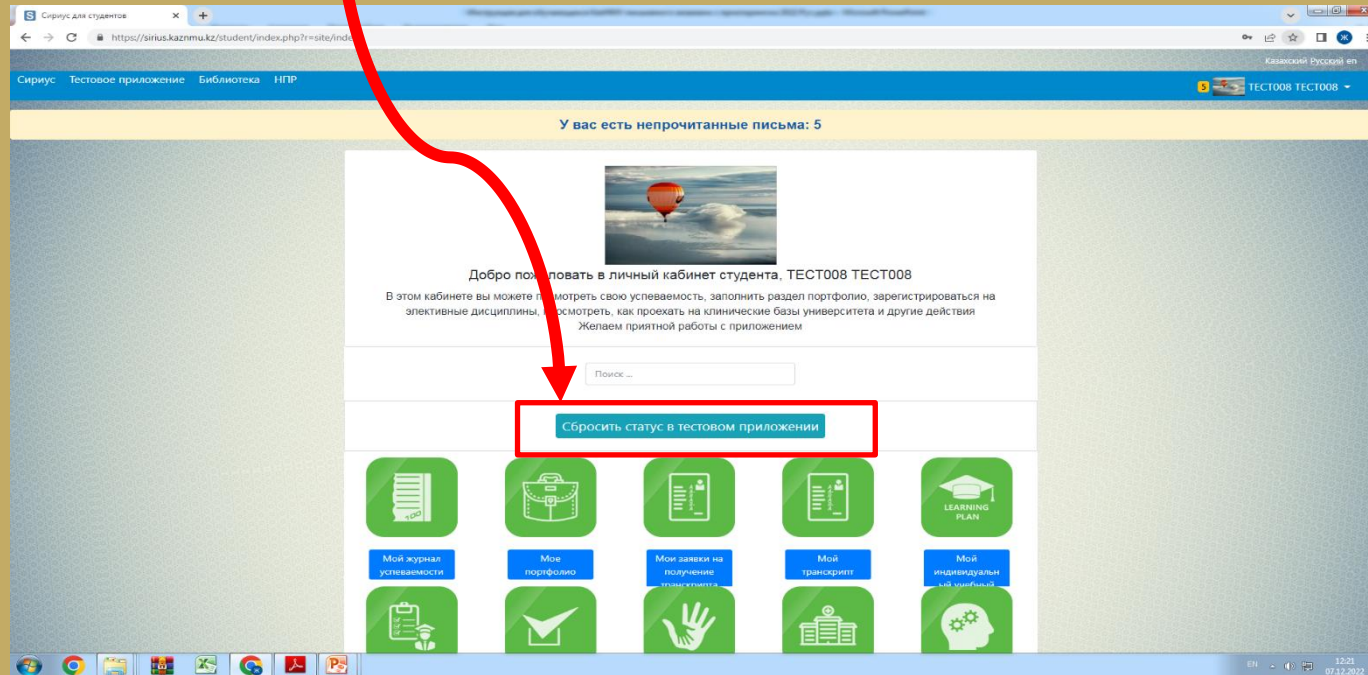

On the day of the exams (testing), go to the website <https://sirius.kaznmu.kz/>
Next, go to the student's personal account using the link <https://sirius.kaznmu.kz/student> and enter your username and password from AIS "Sirius"

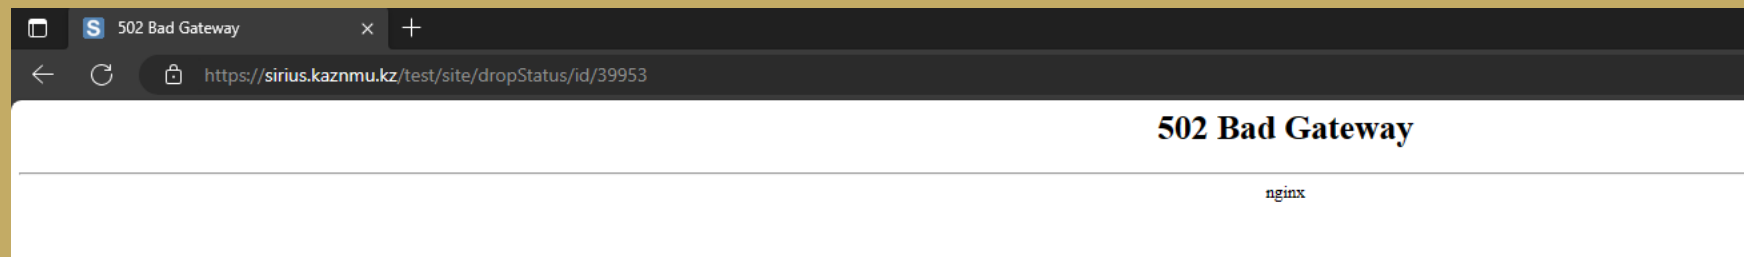

The screenshot displays the login interface for the Sirius system. At the top, the browser address bar shows the URL <https://sirius.kaznmu.kz/student/>. The page header includes the SIRIUS logo and navigation links for "Test Application" and "Library". The main content area features a large "SIRIUS" banner, three green icons representing a clipboard, a computer monitor, and books, and a green notification icon in the top right corner. The login form consists of the following elements:

- Username ***: A text input field with a red error message below it: "Username cannot be blank."
- Password ***: A text input field with a red error message below it: "Password cannot be blank."
- Remember Me**: A checkbox that is currently unchecked.
- Login to My Account**: A prominent green button.
- Forgot Password?**: A blue button located below the login button.

Before each exam (testing), check your personal account on the site for the button **"RESET STATUS IN THE TEST APPLICATION"** (blue button on the main page of your personal account). If this button appears, click on it, if it is not there, refresh the page!

After you have clicked this button, the page will display the following error:

That's how it should be. Then do not click anything.

Explanation of fields in tests

Question type. Indicates the number of correct options in the given question. There can be 1 or more correct options in different questions.

After the student checks one or more options, depending on the type of question, you can proceed to the next question by clicking on the "Next Question" button.

The student can skip this question to answer it later. To do this, simply without selecting any option, click on the "Next Question" button.

Correction of answers

Before the student answers the last question in the test, there is an opportunity to correct the answers to the previous questions. To do this, click on the "Correct answers" button located in the lower left corner. After that, a page with previously answered questions will open. By clicking on the "Change answer" button above the corresponding question, you can go to this question and, if necessary, answer differently. To save the changed answer, you must click on the "Next Question" button, otherwise the corrected answer will not be saved.

The screenshot shows a "mock exam" interface. At the top, there is a breadcrumb trail: Home > My courses > Зимний семестр 2023-2024 > mock exam > General > mock exam. On the left, a "QUIZ NAVIGATION" panel shows a question icon with the number "1", a "Завершить" button, and a timer "Time left 0:59:17". In the center, a "Question 1" panel indicates "Not yet answered" and "Marked out of 100.00", with a "Flag question" link. The main area is a "Ticket" containing a rich text editor with a toolbar (bulleted list, numbered list, link, unlink, image) and a large empty text area for the answer. At the bottom right, there is a "Finish attempt ..." button.

To finish the exam, click the “Finish” button.

The screenshot shows the same "mock exam" interface as the previous one, but with two lines of text in the answer area: "1 Answer" and "2 Answer", each followed by a dotted line. The "QUIZ NAVIGATION" panel shows the same question icon and timer. The "Question 1" panel is identical. The "Ticket" panel shows the same rich text editor toolbar and text area. At the bottom right, there is a "Finish attempt ..." button.
